

Flamingo™

R82[®]

Flamingo[™]

Tilt in space and back recline

Tilts and reclines for the child's comfort and positioning.

Adjustable foot supports

Adjust to ensure correct positioning and support.

Height adjustable frame

Adjusts to fit the height of the carer.

Foldable frame

Folds for storage or transportation.

The Flamingo is a toilet/bathing chair. It is available in 4 sizes and is suitable for children and youngsters.

The seat can be tilted and the back can be angled. The Flamingo can therefore cover special needs for seating posture. The Flamingo is easy to clean and facilitates personal hygiene. It is adjustable in height and it can be placed over the toilet or can be used with a pan.

As standard the Flamingo seat is delivered with a narrow open backrest. For more support for the trunk either swing-away side support can be mounted or upholstered sides which surround and support the shoulders can be used.
